

## Senior Citizens' Week at Woodland Bible Camp

The special week for those who are 55 and older is planned for September 13-17, 2010 (Monday evening through Friday noon). The theme for the week is "*Roaming Thru Romans*". Every chapter will have a designated time in the schedule. Special breakfast devotions, meaningful prayer time and special speakers in the morning and evening are planned. The afternoons offer free time to visit points of interest in the area, great fishing in the dozens of lakes less than 30 minutes away. Besides free time there is great competition playing, "Corn Hole toss", croquette, shooting hoops, ping pong, etc. Several tables are set up to have games, avid puzzle workers, inspiring conversation and needless to say, refreshing naps are enjoyed. With campers from Indiana (of course), Kentucky, Missouri, Louisiana, Tennessee and often several other states are represented, friendships are made and other relationships renewed. Plan now to take advantage of this wonderful spiritual mountain top experience. Cabins, RV sites and local motels are all available. **DON'T YOU DARE MISS IT!!!**
